Notice is hereby given that sealed tenders in triplicate on half-sheet foolscap-sized paper will be received at the Office of the Davangere Hospital, Davangere, by the Medical Officer, at 11 A.M., on 20th November 1939, for the supply of all articles of diet, etc. (noted in alphabetical order), required for the Maternity Hospital, Davangere Hospital, and Tuberculosis Hospital, Davangere, etc., from 1st January 1940 to 31st December 1940 (both days inclusive).

2. No tender will be received after the hour and date abovementioned.

3. Tenders are to be superscribed "Tender for the supply of provisions to the Maternity Hospital, Davangere Hospital and Tuberculosis Hospital, Davangere."

4. No tender will be received unless accompanied by a deposit of Rs. 60 in Treasury receipts.

5. Tenders will be opened by the Medical Officer in charge at his office on the date and at the hour abovementioned in the presence of such tenderers as may choose to attend.

6. The rates for each item may be specified in figures as well as in words, and they must be for the particular kind or brand of the articles as specified in the list appended thereto. The value of each tender must be worked out according to the rates tendered and the total value must also be entered in words in ink. Tenders not conforming to this rule will be rejected.

7. The quantities stated in the list are not guaranteed.

8. The Senior Surgeon does not bind himself to accept the lowest or any tender or to assign any reason for not accepting any tender.

9. The deposit of the successful tenderer will be retained, and will be forfeited to Government if he fails to complete the contract by executing the necessary agreement and furnishing the required security (to the amount of Rs. 60), within three days from the date of his receiving the information of the acceptance of his tender.

10. No advance of cash will be made to the contractor; payments for the articles supplied in each month will be made, as soon as possible, on his producing the necessary bills in duplicate with vouchers for the three institutions separately.

11. A store-room will be placed at the disposal of the contractor in which he can keep all non-perishable articles of which not less than one month's supply must always be in stock. Perishable articles, such as vegetables, meat, etc., must be at the hospital at 7-30 A.M. daily. For the supply of milk, the cows to be milked on the premises should be ready at 8 A.M. and at 6 P.M. every day. All articles, except when mentioned otherwise, should be of the first sort, and any articles rejected on account of inferiority should be promptly replaced by articles of the required quality or will be purchased by the hospital authorities from outside, and the charges debited to the contractor. Samples of rice, dhal, soji, curry powder, ghee, bandage and guage cloth must be presented in sealed bottles at the time of offering the tender.

12. The contract must not be sublet.

13. A fine not exceeding Rs. 50 will be levied by the Medical Officer for any infringement of the terms of the contract or for the supply of inferior articles and the contract itself will be annulled and the security will be confiscated to Government in the case of continued or frequent violation of the terms of contract, the defaulter being further liable to make good any loss that may result to Government by the annulment. If the contractor thinks that the fine levied in any case is not justifiable, he may appeal to the Senior Surgeon who will have power to fine up to Rs. 100.

14. In case the contractor ceases to abide by the contract at any time during the currency thereof, he shall forfeit the security money to Government and also be bound to make good to Government any loss which may arise from such cessation.

15. The contractor will be bound, on occasions of emergency, to supply any other articles that are not mentioned in the list appended to the notice at prevailing market rates and at short notice.

16. In payments, the contractor must accept the following rules of Government :—

(1) In payments to be made to contractors, fractions of a rupee in the totals of bills amounting to Rs. 25 or more will be rounded to the nearest rupee, *i.e.*, fractions of less than half-a rupee will be disregarded and half a rupee and over taken as a rupee.

(2) The totals of bills for less than Rs. 25 will be rounded to the nearest anna (fractions below half anna being omitted and half anna and over being reckoned as one anna).
